Subject: Acknowledgement of Receipt for Controlled Unclassified Information

Dear vendor:

_____ acknowledges that it has been notified that it will receive technical data that is categorized by the U.S. Department of Defense as Controlled Unclassified Information. The technical data is being provided to support **DZYNE Technologies Incorporated** efforts to bid or perform on a contract in support of a DoD requirement. The data is not authorized for public disclosure and permission must be obtained from the issuing DoD component prior to further dissemination outside of the company.

_____ understands that, aside from DoD restrictions, the technical data is governed by the International Traffic in Arms Regulations (ITAR), which is codified at 22 CFR §120-130, and the company is legally bound to comply with all applicable export restrictions. The technical data can only be accessed by U.S. Person employees of the company who have a legitimate need to utilize the data in the performance of their duties. A U.S. Person includes a citizen or national of the United States, lawfully admitted U.S. permanent resident aliens, and protected individuals as defined by 8 U.S.C. 1324b(a)(3). Furthermore, no person employed by the _____ who will have access to the militarily critical technical data is ineligible to contract with, or to receive an export license or other approval to import defense articles or defense services from, or to receive an export license or other approval from, any agency of the U.S. Government.

_____ has identified the following U.S. Person employee to be the recipient of the aforementioned material:

Sincerely,
